PROUD TO DESIGN & MANUFACTURE IN BRITAIN

A beautiful floral party in a fabric with a luxurious trim. A great range for travel or home.

Playful and whimsical, add a little 'no drama' llama fun to your toiletry organisation! Matt pu coating for durability.

A fun, Scandi-inspired range in a cheerful bird print. Perfect for keeping travel essentials organised with a pop of personality.

A vibrant, multi-colored range featuring a bold geometric harlequin pattern. PVC coated, which provides a durable, wipe-clean finish.

WILLIAM MORRIS DESIGNS

William Morris worked as an artist, designer, craftsman, writer and socialist, his work dramatically changed the fashions and ideologies of the Victorian era.

William Morris' most iconic pattern, Strawberry Thief, tells the story of a cheeky, fruit-thieving bird. Intricate and highly ornamented, this cherished design is a riot of colour and expressive detail.
